You may not give away, rent, lease, lend, sell, transfer, redistribute, or sublicense the Application and, if you sell your device to a third party, you must remove the Application from it before doing so. You agree that the Application contains proprietary information and trade secrets belonging to Licensor. You may not copy (except as expressly permitted by this license), decompile, reverse-engineer, disassemble, attempt to derive the source code of, modify, or create derivative works of the Application, any updates, or any part thereof (except as and only to the extent that any foregoing restriction is prohibited by applicable law or to the extent as may be permitted by the licensing terms governing use of any open-sourced components included with the Application). The indemnity obligations contained herein shall survive the termination of this Agreement.

You acknowledge that you are responsible for addressing any third party claims relating to your use or possession of the Application, and agree to notify Licensor of any third party claims relating to the Application of which you become aware.
